

CREATING *meaningful* MEMORIAL STATIONERY

How to order...

Our funeral tributes are all designed and printed in house and we guarantee our memorial stationery will be printed and delivered on time, every time, to the highest quality.

Placing An Order

Whether through your funeral director or with our experienced designers, we can create a personal tribute based on your brief. Or choose one of our existing design samples and we will customise it for you.

Our stationery is printed on high quality heavy-weight card, on your choice of a silk or uncoated 30% recycled stock.

Physical samples of our designs can be viewed with your funeral director, at our studio, or digitally on our website.
